# WIRELINER AIR & STEAM WIPER

## WIRELINER WIPER DIFFERENCES:

The difference between the Air Wiper and Steam/Water Wiper is the type of hoses, fittings and inserts used.

Replacement inserts are designed for either Air use or Steam/Water use and come in a wide range of sizes.

The main wiper block can be ordered with a variety of options such as Air Hoses, Steam Hoses, Mounting Disk, Couplers, Swivels, etc... See Parts & Price List for more information.

## WIRELINER WIPER ADVANTAGES

- Compact
- Quick to rig up.
- Long lasting abrasion resistant inserts.
- Can be left coupled around the wireline when running into the well.
